How to play

The game features win lines. Choose the bet size using the buttons in **Total bet field**. Higher bets will increase a total win. The bet value chosen is displayed in the corresponding field. To start the reels spinning, click the **Spin** button.

Auto play

Click the **Auto spins settings (A)** button to choose the number of rounds to auto play. Autoplay starts when you click the number of rounds and **Autoplay button** shows the amount of remaining spins.

You can choose additional settings for the **Stop of auto spins**:

- on any win - autospin will stop after you win
- if bonus game is won - autospin will stop when the bonus game is won
- if single win exceeds - autospin will stop when a single win is above the written sum in the field
- if cash balance increases by - autospin will stop when the current balance is above the sum written in this field

- If cash balance decreases by - autospin will stop when the current balance is below the sum written in this field

To stop the spins click **Stop Autospins** button.

Features

Scatter. The role of the Scatter symbol in the game plays the image of a bundle of dynamite. 3, 4 or 5 Scatter symbols on the reels in any position trigger 10 **Free Spins**. Wins for Scatter are added to active paylines. Bonus spins can be retriggered by 3, 4 or 5 bonus symbols. The maximum number of Free Spins is unlimited.

Wild. Wild symbol substitutes any symbol in a line (except Scatter symbol) to complete a winning combination. During bonus spins the Wild symbol appears only on reels 2, 3, 4.

Sticky Wild. During the bonus spins all Wild symbols become locked until the end of bonus spins to increase the chances of winning.

Gamble round

If you win in the main game, the gambling option becomes available to you. To enter the gambling room, click the Gamble button that appears next to the Spin button. The aim of the gambling round is to guess the color or the suit of the face-down card. Your current win becomes the stake for the gambling round.

- You need to choose Red, Black, Clubs, Spades, Hearts or Diamonds.
- If you guess the color, your stake is doubled. If you guess the suit, your stake increases 4 times.

- If you win, you can collect your winning amount or risk to increase it again. To collect your win and return to the main game, click on the cash-bag.
- If you lose, the gambling round will stop automatically and you will return to the main game.
- To play Gamble in Auto play mode, please tick the checkbox On any win in Auto spin setting menu.

Spin Results

If a winning combination is formed along any active payline, it will become animated and the win amount is displayed in the **Total Win** field.

- All symbols pay left to right on consecutive reels of an active payline in the main game.
- Coinciding wins on several active paylines are added.
- Payouts are made according to the paytable.
- Payline wins are multiplied by the bet per line value, except for Scatters.
- Scatter pays in any part of the display from total bet value.
- Note that only the highest win is paid on each of the active paylines.
- The spin can result in triggering free spins. Free spins are played at the same bet and lines as the round activating these spins

To learn the game payouts, click the **Information (I)** button.

Settings

The setting button opens a panel with game speed and volume settings.

Additional information

Malfunction voids all plays and pays! All unfinished rounds will be terminated every other day. If the game requires "Collect" - "Collect" will take place and the win from the round will be added to the player balance. If the game requires action from a player, the result is counted assuming that the player has chosen the action with no risk without raising the initial bet.
